EDUCATION

SOFTWARE DEVELOPMENT

Online self-learning course

African Leadership University X | 2022 - 2024

BACHELOR'S DEGREE

Building Construction

Technical University of Kenya | 2015 - 2019

PROJECTS

BLOG WEBSITE

MEN stack

Built a blog website using MongoDB, Express and Nodejs that allows user to register, login and begin making blogs. I included the WYSIWYG toolkit to ensure users customise their blogs using fonts of their choice

E-COMMERCE WEBSITE

HTML | CSS | JAVASCRIPT

built an e-commerce website with multiple pages which allows the user to interact with the frontend by viewing items, adding to cart and checking out
